Dear Retail Partner,

Please be advised that effective April 1st, 2020 there will be an adjustment to our prepaid minimum shipment requirements for free freight. Vanity Fashions Limited has not increased the standard prepaid shipping rate in over 10 years despite the continuous rise in transportation costs.

The threshold for prepaid orders will be increasing to \$300.00.

We value your business and appreciate your loyalty and trust in our programs. As always, we are committed to providing superior programs and service to you in the continued development of your business.

Warmest Regards,

Yemi Akindoju
